

Barrel District Weekly Update

COUNCILMEMBER

BART TURNER

Glendale's Barrel District

August 26, 2016

Greetings!

Here are a couple of services and announcements I think you will enjoy:

Business Counseling with SCORE. Glendale residents can enjoy free business counseling from SCORE (Counselors for America's Small Business) tomorrow, August 27, from 12-4 p.m. at the Main Library. SCORE can advise on all areas of business, from start-up information to marketing and accounting concerns. Call 602-745-7250 for more information and to make an appointment.

Friends of the Glendale Public Library Meeting. All community members are invited to participate at the monthly meetings of the Friends of the Glendale Public Library, a nonprofit group dedicated to promoting Glendale's library system. The meeting is scheduled for Thursday, September 1, at 10:30 a.m. at the Main Library.

Have a safe and enjoyable weekend!

City Council Update

The Glendale City Council will be considering the adoption of a designated Entertainment District pertaining to the issuance of liquor licenses within downtown Glendale.

The city is conducting extensive public outreach to gauge public opinion regarding the proposed creation of a district.

Currently, state law prohibits issuing certain types of liquor licenses within 300 feet of a church or a public or private school. However, state statute provides the opportunity for communities to designate a specific area as an Entertainment District, thereby allowing an exemption to the 300 foot rule.

The city will be holding a public meeting on **Wednesday, August 31st at 6pm** in the Glendale City Council Chambers, 5850 W. Glendale Ave, should any

Glendale Library Receives Grant. Secretary of State Michele Reagan presented a \$23,950 grant award to the Glendale Public Library. The grant will fund the Glendale 'Libraries Transform: Express Yourself' a year-long series of free songwriting, storytelling, art, and drama workshops.

The Mayor's Youth Advisory Commission Calls On High School Students To Apply. The Mayor's Office is seeking new members for the Mayor's Youth Advisory Commission (MYAC). Commission members must commit approximately five hours per month to attend meetings and participate in activities. Standing commission meetings are held each month at Glendale City Hall.

Applications can be downloaded at www.glendaleaz.com/mayor/myac.cfm. Completed applications can be dropped off or mailed to: Office of the Mayor, City of Glendale, 5850 W. Glendale Ave., Glendale, AZ 85301.

Glendale Fire Wants Residents To Correct Unsafe Practices During National Safe At Home Week. During "National Safe At Home Week", the Glendale Fire Department is asking the community to focus on their homes and correct any unsafe practices in hope of eliminating unintentional injuries and death. Across the country, 31 million medical visits each year are a result of unintentional injuries. Following these simple tips will help everyone be safer at home:

- Install smoke alarms on every level of your home and in or near all bedrooms, and test the batteries at least once a

community stakeholders wish to speak directly on this matter in a public forum. If you are unable to attend the meeting, but would like to provide feedback, the city has created a survey. The deadline to submit survey responses is **September 2, 2016.**

Please click [here](#) to complete the survey.

Serve On A Glendale Board Or Commission

The City of Glendale's Boards and Commissions assist the City Council in making important policy decisions that impact our community. These citizen advisory groups research, study, and discuss specific issues with both short and long-term implications, and then forward their recommendations to the City

month.

- Use carbon monoxide detectors near sleeping areas.
- Plan and practice home escape plans.
- Use safety covers on electrical outlets and anti-scald devices in faucets in homes with young children.
- Make sure all porches, hallways and stairwells are well lit.
- Use a non-slip mat in bathtubs and showers.
- Install grab bars in bath and shower stalls.
- Keep medicines and household chemicals out of reach of children.
- Put your poison control center number (1.800.222.1222) near every phone and pre-programmed in your cell phone.
- Never leave children unattended in a bathtub or pool.
- Install a pool fence and/or a pool net.
- Become certified in first aid and CPR.

For more information on how to make your home safe, visit www.glendaleaz.com/fire.

Glendale Pavement Management Program - Overlay CONSTRUCTION Information. As part of Glendale's Pavement Management Program, the residential streets west of 55th Avenue to 57th Avenue; and south of Peoria Avenue to north of Mountain View Road, to include Cannon and Cochise Drives between 57th Avenue and 58th Avenue, are scheduled for a mill (removal of asphalt) and asphalt pavement overlay.

- **Scheduled to begin the week of August 22nd for approximately three weeks, crews are scheduled to prepare the area for the upcoming mill and overlay.** This preparation includes the removal of existing sidewalk ramps and installation of new sidewalk ramps for compliance with the Americans with Disabilities Act (ADA) and the lowering of utilities, such as manholes and valves. Lowering utilities is necessary so that the removal of asphalt can take place in an efficient manner without damaging these utilities.
- **Scheduled to begin in mid-September for approximately two weeks, crews will mill (remove) the top layer of asphalt and apply a new asphalt**

Council.

For more information, please contact **Kriss Carneal** at **623-930-2814** or email her at kcarneal@glendaleaz.com.

surface to this area. Following this work, crews will raise utilities to make them flush with the new road surface and apply striping.

Streets will remain open for travel during this work, but please expect delays. In the event the schedule needs to be adjusted, the dates may change but the sequence will remain the same. Work is currently scheduled to take place Monday through Friday.

As work crosses side streets and driveways, there will be brief periods (15-20 minutes) wherein access will be restricted; however, crews will work to expedite this activity to the extent possible.

On-street parking will not be permitted during this activity; however, residential services (sanitation and postal) should not be effected.

Olive Avenue/59th Avenue Waterline Improvements

Crews are currently working to install waterline in the westbound lanes (north side) of Olive Avenue, just east of the 59th Avenue intersection moving in an easterly direction. In addition, **crews are working in the northbound lanes (east side) of 59th Avenue to install lateral lines** to the recently installed waterline. Both the work in Olive Avenue and the laterals in 59th Avenue are expected to be completed early next week.

Scheduled to take place the week of August 29th, crews will be conducting necessary testing of the newly installed waterline before pipeline connections and tie-overs can take place.

Scheduled to take place the week of September 6th, crews will be conducting waterline tie-overs, primarily during night-time hours, to connect the newly installed waterline to the water system. During this work, traffic control and lane restrictions will shift based on the location of the connections, so please travel with caution and obey traffic signage as it is placed for the safety of residents, businesses, travelers and construction crews.

Olive Avenue and 59th Avenue remain open for

travel during this work; however, traffic is shifted away from the work zone and more than likely restricted to one lane in the direction work is taking place. Based on the work activity, it is expected that some or all left turns may not be permitted at the intersection or near the work zone to protect travelers and construction crews. To assist in managing traffic at the intersection, a law enforcement officer is on-site from approximately 6 a.m. to 7 p.m. weekdays; however, traffic control remains in place even during non-work hours to protect the work area and for the safety of travelers.

You will be notified 48 hours in advance of any planned disruption to your water service. Business and resident access will be maintained. This work in the 59th Avenue/Olive Avenue intersection is currently scheduled to be complete in late September. Crews will not be working over the Labor Day holiday weekend. Thank you for your continued patience during this work!

Please feel free to contact our project hotline at [602.532.6250](tel:602.532.6250) should you have questions or need information related to the project.
